News

[Report of the High-Level Task Force on Investing in Social Infrastructure in Europe](#) - LTIIA helps shaping the final report of the High-Level Task-Force on Investing in Social Infrastructure. Chaired by Romano Prodi, the Taskforce calls for wider participation

of private investors and multilateral development banks in financing new social infrastructure facilities.

[LTIIA's views on infrastructure investing in Financial World magazine](#) -

the December issue of Financial World, the journal of the London Institute of Banking & Finance, examined how the UK infrastructure is managed and the growing role of private investors and pension plans.

[Future Ready: Sustainable Cities](#) - our member Norton Rose Fulbright launched a

global campaign on [Future Ready: Sustainable Cities](#). The Association stands behind their innovative and inclusive approach, which will be one of the central themes in the upcoming WEF and G20 discussion.

Events

Recently convened

[10th annual New York Summit](#) - Eugene Zhuchenko, Executive Director, LTIIA contributed to a discussion on the North American infrastructure outlook, highlighting the needs for regulatory development and credit enhancement.

[UKRN-LTIIA Second Seminar on UK Infrastructure Regulation](#) - the seminar brought together representatives of over fifty organisations from the public and private side, discussing the evolution in regulation objectives in the UK and the role of investors.

Upcoming

Upcoming

[SIF-SOURCE - LTIIA Webinar on Infrastructure Projects Preparation, February 6-7](#) - a joint webinar on Infrastructure Projects Preparation. Participants will exchange views on how SOURCE, the advanced project preparation solution, can support the development of infrastructure as an asset class.

[LTIIA Private Breakfast at the Infrastructure Investors Forum Americas 2018, New York, February 28](#) - in partnership with Inframation, LTIIA will be hosting its traditional private breakfast which will provide an opportunity for long-term infrastructure investors to speak about relevant recent regulatory developments, policy trends, benchmarking and ESG aspects of infrastructure

[Digital Infrastructure Investment Summit, Frankfurt, March 12](#) - will gather the players able to answer Europe's needs regarding the construction of the digital infrastructure required for future competition and economic growth. Eugene Zhuchenko, Executive Director, LTIIA, will deliver a keynote address.

[Global Summit Berlin: Global Investor Forum, March 20-21](#) - the Summit is the largest gathering of global institutional and private investors in infrastructure. We will contribute to a discussion on the distinction between infrastructure and other asset classes. LTIIA members are eligible for a 15% discount.

[Global Summit Berlin: Global Projects Forum, March 22](#) - the Global Projects Forum will provide a stage for the world's governments and leading developers to meet the global finance community and project partners, and help drive projects from concept to completion. LTIIA members are eligible for a 15% discount.

[Ukrainian Infrastructure Forum, April 19, 2018](#) - the Forum's goal is to draw the attention of national and international investors to energy and transportation development opportunities in Ukraine, in order to attract foreign investment in the sectors.

[Private Infrastructure Forum, Stockholm, April 19, 2018](#) - hosted by [Skandia](#) and supported by [Infranode](#), the Forum will convene influential leaders from government, principal investors, regulators and the business sector to share thinking and identify actions relevant to private investors from, and the infrastructure investment in, the Nordics.
